

One BIG Tickle

ANNUAL REVIEW

12 months on.....

One Big Tickle was officially launched on 18th June 2011, with our lifelong family friend, Jura Catherall jumping out of an aeroplane!!! Many of our close friends and family came along to support Jura`s madness....

The very next day our cousin, Stephen Marlow, ran a half marathon. We were very proud as he crossed that finish line in less than 2 hours; here he is with Elliot, catching his breath!

We have so many people to thank who have fundraised and raised much needed awareness about Angelman Syndrome, so here goes:

- Foxglove & Jenny Peel** and her friends for their 'Prom Event' **Multipart** for holding a Raffle
- Guiding Association** for donating their 'Thinking Day' pennies
- Holly Leyland & Lostock Hall High School** for raising awareness (and donations) at Lostock Hall High School
- Helen Connolly** for hosting a charity evening at her house.

and of course to each and every one that has donated online and through sponsoring our friends and family.

Here is our dear friend Claire who ran The Great North Run, again raising awareness and donations. Amazing Lady.

In September 2011, Keith Holland and Jordan Graham, much loved family friends, cycled a spectacular 225 miles from Winnersh to Bamber Bridge, generating paper articles about Angelman Syndrome. We celebrated their journey with a little get together and raffle. Our thanks go to Lesley Taylor Hair & Beauty, Morrisons Bamber, Forever Susan Florists, Foxglove Occasions, Mr Chadwick, Granny, Grandma, Grandad, Great Uncle Tony & Great Aunty Cath & Uncle Paul for their kind donations to the raffle. But above all thanks to Keith & Jordan.

Special Thanks to....
